### Competitors Rejoining Groups

As opportunities arise through road reopenings or station track access, teams who are currently under repair or waiting in Broken Hill will be given the opportunity to rejoin their group.

If they reach their special stage area and the special stage is still open, they will be given the opportunity to compete in that stage. Note stage times are not as scheduled at the start of the event due to travel restrictions.

Whilst the HQ and Area Manager will do everything possible to estimate the time a stage will finish we cannot guarantee a stages closing time.

HQ will however do everything legally and practically possible to expedite your return to your group and the competition areas ready for the rest of the event.

All further updates will be given directly to event leaders to inform event participants and posted publically on the website [www.outback4x4challenge.com](http://www.outback4x4challenge.com) at HQ and other local locations;
